

Ujwal Pawar

Branch : Mechanical Engineering
ujwal.pawar15@vit.edu
Contact no. : 8554034038
www.linkedin.com/in/ujwalpawar913
Date of Birth : 18/09/1997
Address : Bhekrai nagar,Hadapsar,Pune-412308,Maharashtra

★ CAREER OBJECTIVE :

To acquire the skills and knowledge of new technologies to become an entrepreneur for the combined application of cutting edge technologies & basic sciences for the development of modern Indian society. Looking forward to gain multi-disciplinary knowledge and to develop me as a multi-dimensional personality.

★ EDUCATION :

Degree	College/School	University	Passing Year	Passing Percentage
3 rd Year	Vishwakarma Institute of Technology,Pune	SPPU-MH	2018	84.17
2 nd Year	Vishwakarma Institute of Technology,Pune	SPPU-MH	2017	82.72
1 st Year	Vishwakarma Institute of Technology,Pune	SPPU-MH	2016	85.63
12 th	S. P. College, Pune	HSC Board	2015	85.38
10 th	R.N.Raut High-School,Shriwardhan,Raigad	SSC Board	2013	95.45

★ PROJECTS :

1. Auto-Simulator: Project in collaboration with Dassault System. Real time simulation of car platform by interfacing of real model, Arduino and 3D-Experience Platform.
2. Automatic Vending Machine : Concept of Synchro-Mesh Gearbox And Arduino Uno microcontroller are used.
3. Rocker Bogie Mechanism: Fabricated a simple model for this most famous mechanism which is supposed to be used in NASA's Mars Rover.
4. Spiral Tracing Machine: Fabrication of remote controlled machine using two simple mechanisms with future application as 'JALEBI' making machine and variable diameter circular disk cutter.
5. Bottle Filling Plant and Lift Control: Studied and Programmed for bottle filling plant and Lift control panel in Programmable Logic Controller(PLC)

★ **TRAINING & INTERNSHIP :**

- Certification of 3 week Intensive Internship Programme on 3D-EXPERIENCE Essentials
- Tata-Tech Ready Engineer Program : Ongoing course in Design and modelling.

★ **TECHNICAL SKILLS :**

1. Fluent in CAD software CATIA V5, 3D-Experience Platform ,SolidWorks and Fusion 360
2. Good at V-REP (virtual robotic experimentation platform)
3. Basic knowledge of analysis software ANSYS 14.
4. C,C++,PLC, Arduino, MATLAB & SIMULINK.
5. MS Office

★ **SOFT SKILLS :**

- Quick to acquire knowledge of new concepts
- Good communication skills
- Commitment to work and people
- Ability to perform in a team as well as individual environment
- Good skills in Management of Team

★ **EXTRA-CURRICULAR ACTIVITIES :**

1. Co-ordinator of the Photography team for Melange 2k16 and 2k17. Also member of 'TEAM V-Click'-Photography Team of VIT Pune
2. Co-Head of the event 'Circuit Eye' at college fest Melange 2k17.
3. Member of 'VIT AIR TEAM'-Alumni International Relations Team of VIT Pune.
4. Successfully completed the basic course on Finance & Training by FinTree.

★ **CO-CURRICULAR ACTIVITIES :**

- Member of 'TEAM TAURUS 4.0'- the Go-Kart Team in VIT Pune
- Member of 'Trident'- the Robosub Team in VIT Pune
- E-Yantra : Design, Simulation, fabrication of wireless modular snake for the E-Yantra competition 2017-18.

★ **ACHIEVEMENTS & AWARDS :**

1. Stood 3rd in National Finals of e-Yantra Robotics Competition organised by IIT Bombay and MHRD, govt. of India
2. With the 'TEAM TAURUS' won 'Best Design and Best Build Quality Award' in NKRC Season 3 and overall 'first' in ISK
3. Certification as 3D-EXPERIENCE Associate - CATIA Mechanical Design Essentials by Dassault Systems
4. Participated in an International Conference on 'Ancient Science & Technology : Retrospection and Aspiration' (ASTRA)

★ **INTERESTS & HOBBIES :**

- Photography
- Robotics
- Connecting with people

★ **PERSONAL INFORMATION :**

- Father's Name : Dattatrey Bhimrao Pawar
- Mother's Name : Kalpana Dattatrey Pawar
- Sex : Male
- Date of Birth : 18th Sept, 1997
- Nationality : Indian
- Marital Status : Unmarried

I, hereby, declare that the above information is true to the best of my knowledge.

Date:19/04/2018
